

NEWS FOR IMMEDIATE RELEASE – May 28, 2019

Chris Hardy, PE
Highway Commissioner
(608) 429-2136

The Columbia County Highway Department is notifying the public of the following summer construction projects and closures:

BRIDGE CLOSURES: CTH U & HAYNES ROAD

- CTH U bridge overpass of Tributary to the Wisconsin River in the Town of Caledonia will be closed for full bridge replacement starting around Monday, June 17, 2019. This closure will continue until approximately August 30, 2019. Work is being completed by a contractor as part of the Wisconsin Department of Transportation STP Local Bridge Program. **NO** detour route will be posted for this closure. CTH U will be closed between Allen Road and Old U Road in the township (local traffic between the side road and bridge ONLY; from each side).
- Haynes Road bridge overpass of Fox River (upper end of Park Lake) in the Town of Marcellon will be closed for full bridge replacement beginning around Monday, June 17, 2019. This closure will continue until approximately August 30, 2019. Work is being completed by a contractor as part of the Wisconsin Department of Transportation STP Local Bridge Program. **NO** detour route will be posted for this closure. Haynes Road will be closed between State Trunk Highway 44 and Maginnis Drive in the township (local traffic between side road and bridge ONLY; from each side).

ROAD CONSTRUCTION: CTH V

- CTH V in the Town of Lodi road construction (OPEN TO BUSINESSES) from State Trunk Highway 113 to Rapp Road for full road replacement is anticipated to begin Monday, July 8, 2019. The CTH V Bridge over the Spring Creek Inlet (Okee Causeway) will be closed to vehicle traffic beginning Tuesday, September 3, 2019 and continuing until approximately Friday, October 25, 2019. Work is being completed as part of the Wisconsin Department of Transportation STP Rural Roads Program. ROAD WILL REMAIN OPEN TO THE BUSINESSES LOCATED ADJACENT TO THE BRIDGE with some short term duration impacts to traffic.
